This week's assignment is pretty basic – talk about who Jesus is to you.

In a minimum of 3 paragraphs, on a separate sheet of paper, answer some of these questions:

When you picture Him, what does He look like?

What stories about Jesus are your favorites? Are there any that bother or confuse you?

What kind of person was He – gentle, kind, mean, angry, moody, etc..?

Who is He to you right now?

If you're not sure He is really the son of God, you can talk about that.

Do you pray to Him?

Do you think of Him as doing particular things for you?

How do you see Him as the same as God? How is He different?

Has your view of Jesus changed from when you were younger? How?
